

An Alcoholics Anonymous Prayer

Almighty God, I humbly pray,
Lead me, guide me through this day.
Cast out my selfishness and sin,
Open my heart to let You in.
Help me now as I blindly stray
Over the pitfalls along the way.
Let me have courage to face each task,
Invest me with loving patience, I ask.
Care for me through each hour today,
Strengthen and guard me now, I pray.

As I forgive, forgive me too,
Needing Your mercy as I do.
Oh, give to me Your loving care,
Never abandon me to despair.
Yesterday's wrongs I would seek to right,
Make me more perfect in Your sight.
Oh, teach me to live the best I can,
Use me to help my fellow man.
Save me from acts of bitter shame,
I humbly ask it in Your name.
